

CURRICULUM VITAE

Name	:	Dr. Swetha Kannamparambil
Age	:	27 yrs
Sex	:	Female
Date of Birth	:	11 th June 1996
Marital status	:	Married
Address	:	Plot on. 57, Swasti, Samarth Nagar, Aurangabad.
Mobile No.	:	8971201304
Email-	:	kavsw4ever@gmail.com
Registration	:	A-47383
Academic qualification	:	MDS (Conservative Dentistry)
Current designation	:	Assistant Professor, Dept. of Conservative Dentistry, Govt. Dental College & Hospital, Aurangabad, PIN: 431001.

Introduction:

Dr. Swetha Kannamparambil is currently working as an Assistant Professor at the Government Dental College and Hospital, Aurangabad. She has completed her BDS from SDM Dental College and Hospital, Dharwad, and her MDS in the subject of Conservative Dentistry and Endodontics from Government Dental College and Hospital, Aurangabad.

She has 7 international publications to her credit and has presented several of her case reports and papers at various dental conferences. She was a member of the organizing committee for the 23rd IES PG Convention held at Aurangabad on 3rd-5th March 2023.

Her clinical skills extend to those beyond that of general dentistry, with specialized aptitude in conservative restorations, endodontic treatments, regenerative endodontics, minimally invasive treatments, surgical endodontics, procedures under dental operating microscope, and hard and soft tissue lasers.

She is currently assisting with the training and education of the undergraduate students in both theoretical as well as clinical skill development in the subject of Conservative Dentistry and Endodontics. She has also treated several patients who have benefitted from the same over the period of her BDS and MDS courses.

Professional Experience:

I. Assistant Professor (Bonded Lecturer) : 5 months

Publications:

1. FEM Analysis To Evaluate The Stresses Induced By Two Different Fiber Reinforced Composite Bridges, International Journal of Current Research, 11, (08), 6465-6468.
2. Silver nanoparticles – A new era in Antimicrobials: A review, Quest Journals, Journal of Medical and Dental Science Research, Vol 8, Issue 5, 2021, 09-15
3. Esthetic restoration of anterior teeth using the putty index technique: A case report, International organization of scientific research (IOSR), Vol 20, Issue 10, October 2021
4. Aesthetic rehabilitation by fracture fragment reattachment: A case

report, Quest Journals, Journal of Medical and Dental Science Research, Vol 9, Issue 9, 2022, 158-163

5. Conservative esthetic enhancement of discolored teeth: A case report, IOSR Journal of Dental and medical sciences, Vol 21, Issue 12, 2022, 36-40
6. Aesthetic enhancement of discolored non-vital teeth – A conservative approach, International Journal of Advance Research, Ideas, and Innovations in Technology, Vol 9, Issue 12, 2023, 261-267
7. Management of fractured anterior teeth with open apex – a case report, International Journal of Current Research, 15, (07), 25278-25282.
